Spectra AppAnywhere for XP / Vista / 7 vs. Windows Terminal Services and Citrix

If you're looking for an easy, plug-and-play solution to Web-enable or publish your applications, then the logical choice is Spectra AppAnywhere. By eliminating the complexities of Citrix XenApp (previously called Citrix Presentation Server or MetaFrame) and Microsoft Windows Terminal Server (WTS), AppAnywhere provides a fast, simple and affordable solution.

FEATURES AND FUNCTION	AppAnywhere	MS Windows TSE	Citrix
